 - Oct 19th-20th - No School
 - Oct 21st - 23rd - 3-5 join K-2 in the building
 - Oct 26th - 2nd quarter starts; 4 and 1 schedule begins; all will be full days
 - Friday is to help keep virtual learners ready to go in case a pivot is needed.
- Report cards will be available oct 30th on infinite campus; more info to follow, they will not be mailed
 - Please check the Sunday evening updates - Arrival, dismissal, what to bring, what not to bring, car riding will look a bit different - kiddos will need to be independent!
 - Masks on when kids arrive on campus, get out of car etc.
 - Building will open at 8:25. All car riders are to enter in the back, all walkers to the front entrance(s). Walkers can utilize both the far North (gym doors) and the far South (kdg doors)

Questions for Bo

- Will there be red folders? - There will be a folder, but sent home daily, not just on Wednesday
- Teacher conferences? Working on coming up with a date. Would like to hold in person, but last known it will be zoom.
- For the new parents in the KDG - Is there any type of virtual orientation? Teachers have been working on imovies, I suspect we might do a night to introduce teachers. As far as arrival and dismissal goes, teacher assistants will be staggered to help kiddos get where they need to go. There will be over 25 staff members helping kiddos get to class tomorrow. A parent proposed having a video to show students where their classroom is located.
- Are lunches free? They will be available free of charge. Not a grab and go lunch, but packaged.
- Will we get class schedules? Yes once kiddos get in. The schedules have been a beast. They are currently being built, they will have a schedule by the 26th.
- Majority of the next week will be team building. "Like starting the school year".
- Stef? Will she still be at WE. She will be doing both jobs. The district built a virtual "School" in about 10 days; they waited to see what types of learners and numbers of students that need to be served.

- Is there a check in every day? It was discussed. Parents will do a wellness check. We will get a specific checklist starting tomorrow. No app is required at this point. Transmission rates are lower among kids.
- Cleaning process each day:
 - Throughout the day teachers have a specific cleaner to use after lunch, specials, hand sanitizer upon entry and exit of classroom; all hard surfaces wiped down. Backpack sprayers will be used as well.
 - Adventure Club - no supervision at this time. Focus is on cohorting kids. TAs will work specific lunch recess, and classroom spaces. Takes 10 TAs to cover lunch and recess for KDG & 1st grade.
 - Staff is so excited. Kids are looking forward to the “end”. 90% of students are returning. We have 10% of students that are transitioning to new teachers. Number of students 485 @ WE Virtual School has 330; 65 are WE students
 - Spacing has been impacted negatively. Art, music, library will be traveling to the classroom; space issues continue to be abundant.
 - Staff will be eating in library
 - Signs coming home tomorrow with kids; Share you sign if carpooling. Teachers will be on zoom, Diana will dismiss as buses arrive, Dr. Limpert will be out front
 - Cars will start getting called @ 3:25. 15-20 cars at a time. Manchester Lefts, please use the Woodgate light.
 - Why is it called “silent” dismissal? It because the kids need to be quiet so they can hear their name called.
 - Halloween - With us starting so close to the Halloween holiday - new rules we need to follow. We will have an experience. We will have a virtual day as it is on the 30th. This is universal throughout KSD. Cohorting and not commingling are key; no visitors. Our intention is to protect your kids, not shut you out. Safety & convenience are taking a back seat. Logistics of kids changing costumes...helping them, sending them to the bathroom, we'd have commingling, rates increase.
 - Call ahead if you need to drop something off. Things can be left in the vestibule. This is to protect kids. We want them in school, we know you want them in school. It is not to limit your experience. It is all based on health and safety suggestions.

- What are Fridays going to look like? There will be full days unless KSD has declared it a ½ day. It will look like an in school day and will model the in school day.
- The first day's goal is to Get them here, feed them, see their friends and get them home safely!

Any new business?

- Kary - shout out to Box Tops, going to start collecting those again. They are digital, Nov. 1st is the deadline for paper clipped ones.
