The iPad Self-Funded Insurance Program Grades 3-8

The Kirkwood School District offers an opportunity to families who wish to enroll in a self-funded insurance pool that will cover the cost of accidental damage or theft of a district-provided device.

Terms and Conditions

You will be responsible for protecting your assigned iPad from loss or damage. If an accident or theft should occur, the Kirkwood School District will waive your responsibility for the financial loss, subject to a deductible for multiple occurrences, as outlined below. In exchange for this damage waiver, Kirkwood requires payment into a self-funded insurance program.

The iPad waiver fee for 2023-2024 is \$20 (\$10 for students receiving free or reduced lunch), with a coverage period of August 1, 2023 - August 22, 2024.

Payment

Payment may be made through a My School Bucks account using Visa, MasterCard, American Express, Discover or checking and savings accounts. Please visit www.myschoolbucks.com to create and/or log into an account. While not preferred, payment via cash or check may be made in person in a school's main office.

Self-Funded Insurance Structure

There is no deductible for the first and second covered claims per year *if families have paid for the self-funded insurance program*. Families who do not opt into the self-funded insurance program are asked to pay repair fees according to the table below.
